

Tamarack Family Dentistry

H. Keith Treiber D.D.S.

OFFICE PHILOSOPHY

We provide the most comprehensive dentistry that will be accepted with gratitude and appreciation.

We strive for excellence in every aspect of your dental treatment. We know that sometimes compromise is necessary, but we will only do our very best.

We respect your appointed time, and make every effort to stay on schedule. Please be understanding if we are delayed due to a dental emergency. We ask you to also respect our schedule by arriving no later than your appointment time. Please be sure that you make your appointments at a time you can make it to them. We do require a 24-hour notice for cancellations or we will be forced to charge you for that missed appointment.

If you have an immediate dental problem that we cannot treat, we will refer you to an office for the appropriate treatment, then schedule with our office at a convenient time. If you call in severe pain, we will make every effort to see you that day.

FINANCIAL POLICY

Payment is due on the day service is rendered, unless prior arrangements have been made.

We will bill your dental insurance as a courtesy only and you are expected to pay your co-payment on the day of service. If insurance reimbursement is not received in the office within 45 days, you will be billed for the balance due.

On comprehensive treatment over \$1,000.00, a 5% cash discount is offered to patients paying in full when treatment begins, excluding partials and dentures due to the fact of our already low prices on these services.

Your cooperation with this policy will assure equitable treatment of insurance and non-insurance patients. Accounts past due 30 days are subject to a minimum of a \$5.00 billing charge per month until that balance is paid.
